

## Good Love

Anita Baker

Ah, many days it goes unspoken  
But this desire never seems to go away  
It's gonna take much more than hope to bring you close  
I think I'll pray

I here you say you've got a lot to give up  
And there is so much more this heart of mine can take  
If what you have to bring to me is positive you send it right away  
Right away

I want to know what good love feels like  
Good love, good love  
I want a love that's sure to stand the test of time  
I want to know what good love feels like  
Morning, noon and night, forever all my life  
Good love, Good love  
Good love, Good love

There is a void That stands between us  
And it seems it's getting harder to relate  
Never in my wildest dreams did I imagine  
Life this way

I want to know what good love feels like  
Good love, good love  
I want a love that's sure to stand the test of time  
I want to know what good love feels like  
Morning, noon and night, forever all my life  
Good love, Good love  
Good love, Good love

I want to know what good love feels like  
Good love, good love  
I want a love that's sure to stand the test of time  
I want to know what goodlove feels like  
Good love, good love  
Hear me when I say, bring it to me baby

If your the man I hear you say you are  
I don't quite understand why loving me is so hard  
Never have I felt the need to be this close  
Words cannot say, heaven only knows

I want to know what good love feels like  
Good love, good love  
I want a love that's sure to stand the test of time  
I want to know what good love feels like  
Good love, good love  
Hear me when I say, bring it to me baby
