

More Than You Know

Anita Baker

Where did you go
I've been looking for you
Where did you go

I'm pacing the floor
When you're gone from me
I'm pacing this floor

Baby I stand by you so close
Caution is not my approach
My heart I expose
Baby I love you
More than you know

Wasting my time
Everybody says
I'm wasting my time

I must reply
That the time I waste
Is certainly mine

Darlin' I stand by find out
Also wonder why
Your eyes don't meet mine
My heart I expose
Oh baby I love you
More than you know
Oh baby I expose to you
To know

Darlin' I stand by you so close
Caution is not my approach
My heart I expose
Baby I love you
More than you know

I stand by you
More than you know
Love I assure you
More than you know

Baby, baby I love you
More than you know
Darling I know
More than you know
