More Than You Know

Anita Baker

Where did you go I've been looking for you Where did you go

I'm pacing the floor When you're gone from me I'm pacing this floor

Baby I stand by you so close Caution is not my approach My heart I expose Baby I love you More than you know

Wasting my time Everybody says I'm wasting my time

I must reply That the time I waste Is certianly mine

Darlin' I stand by find out Also wonder why Your eyes don't meet mine My heart I expose Oh baby I love you More than you know Oh baby I expose to you To know

Darlin' I stand by you so close Caution is not my approach My heart I expose Baby I love you More than you know

I stand by you More than you know Love I assure you More than you know

Baby, baby I love you More than you know Darling I know More than you know
