

# You Belong To Me

Anita Baker

You don't have to prove to me  
You're beautiful to strangers  
I've got loving eyes of my own, of my own  
You belong to me

Why'd you tell me this?  
Were you looking for my reaction?  
What do you need to know?  
Don't you know I'll always be your girl?

You do not have to prove to me  
You're beautiful to strangers  
I've got loving eyes of my own, of my own  
I can tell  
You belong to me  
You belong to me, baby  
You belong to me  
You belong to me

You belong to me  
Can it be baby that you are not sure?  
You belong to me  
Thought we'd closed the book, I thought we'd locked the door

Baby, you don't have to prove  
You're beautiful to strangers  
I've got loving eyes of my own, of my own  
I know darling  
You belong to me  
You belong to me, yes you do

Tell that woman something baby  
I believe you know what I want you to say to her, yes  
Want you to tell her baby  
Tell her that I love you  
Tell this woman, tell her

You belong to me, you belong to me  
Everybody knows this baby  
All of your friends  
All of your friends, all of my friends baby  
Told me this was goin' on

I can't stand it baby  
What you doing, baby, what you doing?  
What you doing, baby, what you doing?  
Where you going, baby, where you going?  
Where you going?
