

## Jesus Almost Got Me

Anita Lane

There's a keyhole in my can of beer  
And there's an eye behind it  
Sizing me up and sizing me down  
My hangover's becoming a thorny crown  
And dawn is coming over me

Love is cruel  
Love is truly absurd  
Jesus almost got me  
I don't know how many prayers he overheard

There's no relief in the garden  
The morning birds are like nerves  
The hand of the man that stilled the water  
The hand that calmed the sea  
Is pouring a drink for me

Love is cruel  
Love is truly absurd  
Jesus almost got me  
I don't know how many prayers he overheard
