

Lonely Lover

Anita Lipnicka

One day
One pay
I couldn't stay
Nothing to say
I couldn't see
Too scared to be
Trapped in a spell
In history
You're the one that I'll love
The one that I'll keep
Like a secret dove
Hidden in my sleeve
Hidden in my past
More than memory
Without your heart
Wouldn't beat in me
One night
One fight
Just you and me
And I was to be
My own enemy
My heart like a fist
Couldn't have been a gun
Only to resist
Only to resist
Until the new sun
Of another day
Until I could run
My lonely lover
I just left you here
And went to the lake
To wash my hands
You're the one that I'll love
The one that I'll keep
Like a secret dove
Hidden in my sleeve
Hidden in my past
More than memory
Without your heart
Wouldn't beat in me
