

## For Your Eyes Only

Anita Meyer

For your eyes only, can see me through the night  
For your eyes only, I never need to hide  
You can see so much in me, so much in me that's new  
I never felt until I looked at you

For your eyes only, only for you  
You'll see what no one else can see, and now I'm breaking free  
For your eyes only, only for you  
The love I know you need in me, the fantasy you've freed in me  
Only for you, only for you

For your eyes only, the nights are never cold  
You really know me, that's all I need to know  
Maybe I'm an open book because I know you're mine  
But you won't need to read between the lines

For your eyes only, only for you  
You see what no one else can see, and now I'm breaking free  
For your eyes only, only for you  
The passions that collide in me, the wild abandoned side of me  
Only for you,  
for your eyes only
