

# Just A Disillusion

Anita Meyer

Hey, before you start to judge me by my attitude  
I think it's nice and handy  
When I tell you, baby, you are looking good  
But do you understand me?

When I tell you that I've got a different way of life in mind  
And I want you to know that I haven't got more time than mine  
'Cause on the day that I look back at my life  
I just don't want it to be a disillusion (Just a disillusion)  
Just a disillusion

When you think I'm heavy then you get me wrong  
Because you'll never know me, baby  
You might have the impression that I'm big and strong  
But maybe I'm a baby

'Cause you tell me that I've got a different way of life in mind  
I just want you to know that I haven't got more time than mine  
'Cause on the day that I look back at my life  
I just don't want it to be a disillusion (Just a disillusion)  
Just a disillusion

Call me mad but it's my destiny  
That I'm looking for this  
Something big, totally unknown to me  
And so I wonder what it's gonna be  
I wonder what it's gonna be

'Cause on the day that I look back at my life  
I just don't want it to be a disillusion (Just a disillusion)  
Just a disillusion

Call me mad but it's my destiny  
That I'm looking for this  
Something big, totally unknown to me  
And so I wonder what it's gonna be  
I wonder what it's gonna be

So when you're looking further than your nose is long  
And when you're nice and handy  
You've find yourself a babysit and you'll be gone  
How do you understand me?

When I tell you that I've got a different way of life in mind  
And I want you to know that I haven't got more time than mine  
'Cause on the day that I look back at my life  
I just don't want it to be a disillusion (Just a disillusion)  
Just a disillusion

Ooohooooo  
A disillusion  
Just a disillusion  
Just a disillusion (Just a disillusion)  
Just a disillusion, just a disillusion  
(Just a disillusion, just a disillusion)

Just a disillusion, just a disillusion

(Just a disillusion, just a disillusion)
