

Easy Come Easy Go

Anita O'Day

Easy come, easy go, that's the way,
If love must have it's day, then
As it came, let it go.

No, no remorse, no regrets
We should part exactly as we met
Just easy come, easy go.

We never dream of romantic dangers
But now that it ends, let's be friends
And not two strangers

Easy come, easy go, here we are,
So darling au revoir
It's easy come, easy go.
