Shaking The Blues Away

Anita O'Day

Shaking the blues away, unhappy news away If you are blue, it's easy to Shake off your cares and troubles

Telling the blues to go, they may refuse to go But as a rule, they'll go if you'll Shake them away

Do like the voodoos do, list'ning to a voodoo melody They shake their bodies so, to and fro With every shake, a lucky break

Proving that there's a way to chase your cares away If you would lose your weary blues
Shake 'em away
