

The Telescope Man Says

Anja Garbarek

Aaah - aaah

It was a clear blue night
Na na na na
Na na na na na na
We heard a voice

Look up at the sky
And please count the stars for me

One
One

One, ooh so lonely star
Na na na na
Na na na na na na
Clinging to the void

The sky would soon
Have only the moon to shine

Make a wish
Make a wish
Make a wish
Make a wish

Close your eyes
Close your eyes

Everytime a wish comes true
Na na na na
Na na na na na na
A star falls from the sky

You've made
You've made too many wishes
Too many wishes

Only one wish
Star light star bright
A wish we may
We wish we might
Have this last wish tonight
We wish for all the stars to shine
To reappear in the sky
Called upon once more by you
So that our children may have wishes too
