

# Never Alone

Anja Nissen

Walk with me, don't be afraid  
We're in the hands of time  
I feel every word you say  
'Cause all that's yours is mine

Love is not a sacrifice  
We were born to feel alive  
You can spread your wings tonight  
I'll catch your fall

You're never alone, you're never alone  
When your back is against the wall  
It's all for one and one for all  
I'll catch your fall

You're never alone  
Never alone, oh oh oh...  
Never alone, oh oh oh...  
Never alone, oh oh oh...  
Never alone, oh oh oh...

Come and join us in the dream  
The lion-hearted ones  
We are more than you and me  
And everyone belongs

Love is not a sacrifice  
We were born to feel alive  
You can spread your wings tonight  
I'll catch your fall

You're never alone, never alone  
When your back is against the wall  
It's all for one and one for all  
I'll catch your fall

Oh... I hear you, I see you, I feel you  
Oh... I love you, I love you just the way you are

You're never alone
