

# Crazy That Way

Anjolie

Verse 1:

Sometimes I lock myself inside your closet  
Breathe in the scent of your clothes  
Take home a T-shirt and pretend I lost it  
Hide it under my pillow, call me

Chorus:

Crazy, I'm crazy that way  
Boy I must be insane  
Crazy, I'm in need, don't care what people say  
I'm crazy that way  
I'm crazy that way

Verse 2:

Baby I don't wanna talk about it  
Got this feeling in me I know  
There's no reason to deny or doubt it  
Only thing that keeps me from going

Chorus:

Crazy, I'm crazy that way  
Boy I must be insane  
Crazy, I'm in need, don't care what people say  
I'm crazy that way  
I'm crazy that way

Bridge:

And my imagination runs away with me  
I try and fight it but it's more than I can take  
You see the fire burning in my eyes and you realize  
I'm crazy that way

Chorus:

Crazy, I'm crazy that way  
Boy I must be insane  
Crazy, I'm in need, don't care what people say  
I'm crazy that way  
I'm crazy that way

La la la I'm crazy that way
