

## Long Distance

Ann Beretta

Long distance last goodbye can't give it one last try it's all  
over  
we didn't even cry all  
I know is the world came between us and the love got left behind  
no news false funeral half mast flag on the day that our love  
died and i'd tell you face to face but I can't look you in the  
eye  
I just called to say goodbye did you burn my pictures yet anything  
to try and forget it's all  
I can do just to stay on the line...  
we both know how hard it is for both of us to try and we both know  
how hard it is in richmond in july so what am  
I supposed to say?  
how's the weather anyway? this time  
I called to say goodbye  
who'd thought it would end like this?  
with out even a good bye kiss no one can say we didn't try.
