Radio Sad Song

Ann Beretta

Everday's just a little bit better then the one before as we come down a dark lonely highway knocking on my hom etown's door then I pull up to my house and the lights are down I get this feeling when I come around seen a lot of places done a lot of things most of them I'm not very proud of but a man can dream and now that I'm gett ing older all the time I can move on from here now leave my past behind radio play a s ad, sad song radio play something I can drive home to for me and for you...
