

## Smooth & Sweet

Ann Lee

I could give my life to you  
If you tell me what you want  
I'll do what you want me to  
If it's really really what you want

With just a word you reach to me  
I will do all that i can  
So much that you can teach me baby  
If you say you'll be my man

Smooth and sweet - feel your touch  
Can you make this a reality  
Smooth and sweet - i want so much  
For you to become a part of me

I can move my world right now  
If you tell me what you need  
Even turn it up-side down  
If it's really really what you need

Hold out your arms and reach for me  
I will do all that i can  
Now that you know i need you baby  
Won't you say you're be my man
