

# Come To Mama

Ann Peebles

If the sun, goes behind a cloud  
And you feel, its gonna rain  
If the moon, ain't shinin' bright  
And the stars, the stars won't shine for you tonight

If life gets hard to understand  
Your love life, is out of hand  
Just come to mama,  
Come up to mama,

If you need, a satisfier  
Let me be, let me be, let me be  
Your pacifier

If you feel like your hearts breakin' into bits  
Call my number 568-6969  
I'll give you a fix

'Cause I got your favorite toy  
Guaranteed to bring you joy  
Just come to mama  
Come up to mama

If your soul is on fire  
Let me take you to my only hearts desire  
Just come to mama  
Come up to mama  
Just come to mama  
Come up to mama
