## **Steal Away**

## **Ann Peebles**

I got to see you, somehow Not tomorrow, but right now

I know its late, But don't make me wait So come on And steal away Oh lets steal away

Don't make me start thinking Cause I might change my mind Your folks are sleeping So lets not waste any time

I know it's late
But please don't make me wait
So come on, and steal away
Please lets steal away

I got to see you, somehow Not tomorrow, but right now

I got to see you, somehow Not tomorrow, but right now

Baby I'm feeling sort of lonely
I heard the news today
Pause
Somebody told me that you were leaving
And I just called to say
I still love you I love you baby

I know you wont believe me when I say

For another chance ill make it up to you, baby pause

Don't give me up, pause don't throw in the towel

Cause I just want you to know I still love you I love you baby

I know it's late
But please don't make me wait
So come on, and steal away
Please lets steal away

I know it's late
But please don't make me wait
So come on, and steal away
Please lets steal away

I know it's late
But please don't make me wait
So come on, and steal away
Please lets steal away

I know it's late
But please don't make me wait
So come on, and steal away
Please lets steal away

I'll love you tomorrow just like I did today
I just called to say I love you baby
