Where To Now St. Peter

Ann Wilson

I took myself a blue canoe And I floated like a leaf Dazzling, dancing Half enchanted In my Merlin sleep

Crazy was the feeling
Restless were my eyes
Insane they took the paddles
My arms they paralyzed

So where to now St. Peter
If it's true I'm in your hands
I may not be a Christian
But I've done all one man can
I understand I'm on the road
Where all that was is gone
So where to now St. Peter
Show me which road I'm on
Which road I'm on

It took a sweet young foreign gun
This lazy life is short
Something for nothing always ending
With a bad report

Dirty was the daybreak Sudden was the change In such a silent place as this Beyond the rifle range I took myself a blue canoe
