

Be With You

Anna Abreu

I don't know
How I feel
What is going on

I had it all
I was sure
but you messed me up

You made me lie
you made me cry
you made me breath again

and I wanna be with you
I just wanna be with you

And I know that we're hurting the ones that we love
but I don't care
And I know that it's wrong to feel this way
but I don't care

I just wanna be with you
I just wanna be with you
I just wanna be with you
Be with you

we live this lie
we just pretend
like everything's alright

I guess it shows
I guess they know
that there is something wrong

but I'm afraid
to move on
so won't you help me please

cuz I wanna be with you
I just wanna be with you

And I know that we're hurting the ones that we love
but I don't care
And I know that it's wrong to feel this way
but I don't care

I just wanna be with you
I just wanna be with you
I just wanna be with you
Be with you

I just wanna be with you
I just wanna be with you
I just wanna be with you
Be with you

And I know that we're hurting the once that we love
but I don't care

And I know that it's wrong to feel this way
but I don't care
I just wanna be with you
