

# SEND YOU PACKING

Anna Abreu

All of the photos on my phone  
They don't look that good no more  
(Imma hit delete  
All of this time you were lying  
You were tricking me)  
Broken dishes on the floor  
You got no business here no more  
(Cus It's over now  
Don't give a shit, all your gifts  
Imma throw them out)  
All I can say  
(It's Over)  
So Now you gone pay

Imma send you packing, yeah  
Aint no use coming back in here  
Better keep running  
Out of my life, and I  
Won't tell you twice  
Imma send you packing, yeah  
Aint no use coming back in here  
Better keep running  
Surprise, surprise, now I'm  
Cold as ice

You always told me I'm your girl  
If you could you'd buy me the world  
(Caught you stepping out  
You starting to sound like a broken record now)  
So why she send that sms?  
You keep saying that you're just friends  
(But I know better,  
You came home with perfume smell on your sweater)  
All I can say  
(It's Over)  
So Now you gone pay

Imma send you packing, yeah  
Aint no use coming back in here  
Better keep running  
Out of my life, and I  
Won't tell you twice  
Imma send you packing, yeah  
Aint no use coming back in here  
Better keep running  
Surprise, surprise, now I'm  
Cold as ice

Don't let me catch you in the street  
Catch you, catch you in the street (4x)

Imma send you packing, yeah  
Aint no use coming back in here  
Better keep running  
Out of my life, and I  
Won't tell you twice  
Imma send you packing, yeah

Aint no use coming back in here  
Better keep running  
Surprise, surprise, now I'm  
Cold as ice
