

## Broken Hearted

Anna Graceman

Have you ever felt alone?  
Have you ever been this sad?  
Have you ever thought it's just plain bad?  
Have you wondered in the dark?  
Have you ever thought, you're fallin apart?  
I never thought I'd say it, but I think love's over-rated  
And I'm broken hearted  
Broken hearted, I'm broken hearted  
Broken hearted, I'm broken hearted  
When ya feel like your world's comin' to an end  
And ya feel like you're losing your best friend  
Broken hearted

I thought you would be the one  
This was not supposed to end  
And I guess I'll start all over again  
Holding my heart in my hands  
And it feel's like no one understands  
I never thought I'd say it, but I think love's over-rated  
And I'm broken hearted  
Broken hearted, I'm broken hearted  
Broken hearted, I'm broken hearted  
When ya feel like your world's comin' to an end  
And ya feel like you're losing your best friend  
Broken hearted

They say time will heal this broken heart  
But for now I don't know where to start  
I don't want to say it  
I don't want to say it  
I really don't want to say it, but I think love's over-rated!  
And I'm broken hearted  
Broken hearted, I'm broken hearted  
Broken hearted, I'm broken hearted  
When ya feel like your world's comin' to an end  
And ya feel like you're losing your best friend  
Broken hearted
