

## It's Love

Anna Graceman

It's Love by Anna Graceman  
It's love that I hear  
Each time of day  
Anytime  
It's love  
That that I see behind me  
Close and staring

Ohhh

It's love that I pray  
Anytime... of day  
It's love

That I hear  
The coast is clear  
It's love  
It's love

Love is here  
When your beside me  
Love is near, coast is clear beside me  
Ohhh  
It's love that I hear  
When your, beside me  
It's love  
Any time of day  
Angels all around me

Love far and wide  
Hear me... guide

It's love  
That I hear  
In the morning  
Coast is clear  
It's love in the morning  
In the day  
It's the morning  
It's love that I hear  
The coast is clear
