

Insatiable

Anna Maria Jopek

My fever goes deeper
It rises, surprises
I'm leaving the light on
Don't feel no shame
I've watched you shower
But I'm so sorry I don't know your name

The wedding bells
The wishing wells
I'm sorry, not for me
No need to confess
The passion I possess
If that's not alright
Well you're not my type
I couldn't care less

It's insatiable
Don't think, give in
Lose your control

I used you, abused you
You can't think what to do
You know you're a big boy
Get over it
Maybe it's your turn
Learn to forgive, and learn to forget

It's insatiable
Don't think, give in
Lose your control

My fever goes deeper
I'm cooler than ether
It's not up to you, to melt my veneer
The heat that I need's
Supplied everytime that you're near
That you are near

That you are near
