

## Kiss Them For Me

Anna Nalick

It glittered and it gleamed  
for the arriving beauty queen  
a ring, and a car  
now you're the prettiest by far  
no party she'd not attend  
no invitation she wouldn't send  
transfixed by the inner sound  
of your promise to be found

Nothing or no-one will ever make me let you down

Kiss them for me,  
I may be delayed  
Kiss them for me,  
if I am delayed

It's divoon, oh it's serene  
in the fountains pink champagne  
someone carving their devotion  
in the heart shaped pool of fame

on the road to New Orleans  
a spray of stars hit the screen  
as the tenth impact shimmered  
the forbidden candles beamed
