

Paper Bag

Anna Nalick

She don't run from the sun no more
She boxed her shadow and she won
Said I can see you laugh
Through these bottle caps
And this wire around my neck ain't
There for fun

But someday we'll all be old
And I'll be so damn beautiful
Meanwhile I'll hide my head
Here in this paper bag
Cause if I cant see you
Then you can't see me
And it'll be okay
Fly little bee away
To where theres no more rain
And I can be me

Yeah they talk about her
She smiles like shes so tough
She says
"hey can you talk a little louder,
I don't think my heart is broken enough"

But someday we'll all be old
And I'll be so damn beautiful

Meanwhile I'll hide my head
Here in this paper bag
Cause if I can't see you
Then you can't see me
And it'll be okay
Fly little bee away
To where theres no more rain
And I can be me

Some days I wade in the indigo
Singing that song on the radio
I blame these puddles on the rain
You know I gotta keep these cheeks dry today
Gotta keep my cheating strategy
And baby I'm gonna have it made.

But someday we'll all be old
And I'll be so damn beautiful

Meanwhile I'll hide my head
Here in this paper bag
Cause if I can't see you
Then you can't see me
And it'll be okay
Fly little bee away
To where there's no more rain
And I can be me
