Anna of the North

You told me  
I would never see you walk away  
Said you'd never break my heart  
Never leave me in the dark  
I guess there's just some promises  
You shouldn't make  
Shoulda known from the start

I'm in the dark  
Show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me  
Show a little loving

I'm in the dark  
I can't see  
Can't see it  
Can't see it  
Feeling my way back to you  
I can't feel  
Can't feel it  
Can't feel it

Reach out and show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me

I'm in the dark  
Show a little loving  
Shine a little on me  
Show a little loving  
Show a little loving

You told me  
I would never see you go astray  
Said we'd never be apart  
Never leave me in the dark  
I guess there's just some promises  
You shouldn't make  
Shoulda known from the start

I'm in the dark  
I can't see  
Can't see it  
Can't see it  
Feeling my way back to you  
I can't feel  
Can't feel it  
Can't feel it

Reach out and show a little loving
