

Highlands (Naked Version)

Anna Ternheim

A war has been fought, we've made our mistakes
A sign of defeat, all over your face

Give it a try, it may be the last chance
We'll ever have, finding the highlands
I swear I'll take you there if you let me
You'll never forget me
I swear I'll amaze you if you let me
Maybe that could save us

The word has gone out, there's nothing to say
Just a sign of relief all over your face

As bad as it gets, the harder we tried
The deeper we fell, up until now
I never knew, the way to the highlands
