

Such A Lonely Soul (Naked Version)

Anna Ternheim

She'll ask you were you've been, you'll be hours late when
you finally come home She'll suspect something's wrong
make sure to erase all your outgoing calls

Why trouble her lonely soul
She doesn't have to know
She doesn't have to know
Why tell her, it would hurt her so
She's such a lonely soul
Such a lonely soul

She'll be watching you for sure
afraid to find out what she already knows
She'll try to stay calm cause you'll be so hard to get to
and she's still in love

Why trouble her lonely soul
She doesn't have to know
She doesn't have to know
Why tell her, it would hurt her so
She's such a lonely soul
Such a lonely soul
