

## Such A Lonely Soul (Naked Version)

Anna Ternheim

She'll ask you were you've been, you'll be hours late when  
you finally come home She'll suspect something's wrong  
make sure to erase all your outgoing calls

Why trouble her lonely soul  
She doesn't have to know  
She doesn't have to know  
Why tell her, it would hurt her so  
She's such a lonely soul  
Such a lonely soul

She'll be watching you for sure  
afraid to find out what she already knows  
She'll try to stay calm cause you'll be so hard to get to  
and she's still in love

Why trouble her lonely soul  
She doesn't have to know  
She doesn't have to know  
Why tell her, it would hurt her so  
She's such a lonely soul  
Such a lonely soul
