

Track of Time

Anna von Hausswolff

You keep
Troubles in your mind
And you keep them there all the time
And you won't share them apart
'Cos of your broken heart
You keep losing your time
You keep losing your time

Hope
Is a pearl that you share
You share it all the time
With people all around
And you can't seem to find
Oh time
And you can't seem to find time
And you lose it all the time
You can't keep tracking your time
You lose it all the time
You lose it all the time
You lose it all the time
The track of time

Hope
Is a pearl that i share
I share it with you
It's a pearl that I share
I share it with you
All the time
I share it with you
All the time
So i lose my track of time
I can't keep tracking my time
I lose it
All the time
I lose it all the time
I lose it all the time
I lose it all the time
The track of time
