

Love Story

Anna Waronker

You can't, you can't ever see my way
But you never want to seem to try
You can't, you can't ever seem to wait
And you never want to see me cry

I want you to know
I still love you, but baby

All I want to do is make this up to you
All I want to say is just try this my way

You seem, you seem to think you know just how
Just how I should be treated
But I see, I see it pretty clearly now
I'll believe you when I see it

I want you to know
I still love you, but baby

All I want to do is make this up to you
All I want to say is just try this my way

Don't you see I'm begging down on my knees?
Don't you see I'm begging baby baby please

All I want to do is make this up to you
All I want to say is just try this my way
