Anne-Marie

I will always remember
The day you kissed my lips
Light as a feather
And it went just like this
No, it's never been better
Than the summer of two thousand and two
We were only eleven
But acting like grown-ups
Like we are in the present
Drinking from plastic cups
Singing "love is forever and ever"
Well, I guess that was true

Dancing on the hood in the middle of the woods
On an old Mustang, where we sang
Songs with all our childhood friends
And it went like this, say

Oops, I got 99 problems singing bye, bye, bye
Hold up, if you wanna go and take a ride with me
Better hit me, baby, one more time
Paint a picture for you and me
Of the days when we were young, uh
Singing at the top of both our lungs

Now we're under the covers
Fast forward to eighteen
We are more than lovers
Yeah, we are all we need
When we're holding each other
I'm taken back to two thousand and two
Yeah

Dancing on the hood in the middle of the woods
On an old Mustang, where we sang
Songs with all our childhood friends
And it went like this, say

Oops, I got 99 problems singing bye, bye, bye
Hold up, if you wanna go and take a ride with me
Better hit me, baby, one more time
Paint a picture for you and me
Of the days when we were young, uh
Singing at the top of both our lungs
On the day we fell in love
On the day we fell in love

Dancing on the hood in the middle of the woods
On an old Mustang, where we sang
Songs with all our childhood friends
Oh, now

Oops, I got 99 problems singing bye, bye, bye
Hold up, if you wanna go and take a ride with me
Better hit me, baby, one more time
Paint a picture for you and me
Of the days when we were young, uh

Singing at the top of both our lungs
On the day we fell in love
On the day we fell in love
On the day we fell in love
On the day we fell in love, love, love
