

# Alarm

Anne-Marie

You lay here with me, you're shuttin' down  
I smell her on you, I'm focused now  
I know what's goin' on in your head, yeah  
I know what's happened here in our bed, yeah  
Your phone is buzzin', so pick it up  
I know she callin', so what the fuck, ah?  
I should've known a cheat stays a cheater  
So here we are

And there goes the alarm ringin' in my head  
Like somebody said, "Don't you trust him?" No.  
Textin' from his ex, what did you expect?  
Now you're lyin' here knowin' where he goes  
Now he gotta get you  
Karma is a bitch, yeah  
Same way that they come that's the way they go  
Now he gotta get you  
Rewindin' the picture  
There goes the alarm and the sirens go

There goes the alarm

I saw it comin', I let it go  
My girls will tell me, "I told you so."  
But I was so intrigued by your style, boy  
Always been a sucker for a wild boy  
I'm better than this, I know my worth  
I might be gettin' what I deserve  
But I ain't stickin' 'round for the rerun  
What's done is done

And there goes the alarm ringin' in my head  
Like somebody said, "Don't you trust him?" No.  
Textin' from his ex, what did you expect?  
Now you're lyin' here knowin' where he goes  
Now he gotta get you  
Karma is a bitch, yeah  
Same way that they come that's the way they go  
Now he gotta get you  
Rewindin' the picture  
There goes the alarm and the sirens go

There goes the alarm  
Now he gotta get you  
Same way that they go  
Now he gotta get you  
There goes the alarm, yeah  
Same way that they go  
Now he gotta get you, yeah

Bang bang, two shots fired  
Man down, one fool, one liar  
Ring ring, trust gone missin'  
House on fire, house on fire  
Bang bang, two shots fired  
Man down, one fool, one liar  
Ring ring, trust gone missin'

House on fire

And there goes the alarm ringin' in my head  
Like somebody said, "Don't you trust him?" No.  
Textin' from his ex, what did you expect?  
Now you're lyin' here knowin' where he goes  
Now he gotta get you  
Karma is a bitch, yeah  
Same way that they come that's the way they go  
Now he gotta get you  
Rewindin' the picture  
There goes the alarm and the sirens go

There goes the alarm  
Now he gotta get you  
There goes the alarm  
There goes the alarm  
Now he gotta get you  
There goes the alarm  
There goes the alarm
