

# Bad Girlfriend

Anne-Marie

I'm a bad girlfriend  
I'm a bad girlfriend

You have some plans for me  
I cancel ours for you  
Said I'd be back early  
I don't get in 'til 2  
You ask me where I've been  
I tell you something vague  
Think I messed up again  
What can I say

Your mum says that she hates me  
Thinks I'm fucking lazy  
Your friends keep on telling you to leave me 'cause I'm crazy  
I do some shit you can't forget  
But you better get used to it

I'm a bad girlfriend  
I'm a bad girlfriend  
You tell me your birthday  
I forgot again  
I'm a bad girlfriend  
I'm a bad girlfriend  
I can see you calling  
I'm not answering  
I'm laughing but I don't think that you're funny  
I'm staying 'cause you give me all your money  
I'm a bad girlfriend  
I'm a bad girlfriend

You make me dinner then  
I order take-away  
You wanna meet my friends  
I say another day  
You trust me with your keys  
And I fuck up your car  
You wanna stay with me  
I break your heart

'Cause I'm one in a million  
One like in a billion  
I don't think it's cheating if I'm kissing other women  
I do some shit you can't forgive  
And you better get used to it

I'm a bad girlfriend  
I'm a bad girlfriend  
You tell me your birthday  
I forgot again  
I'm a bad girlfriend  
I'm a bad girlfriend  
I can see you calling  
I'm not answering  
I'm laughing but I don't think that you're funny  
I'm staying 'cause you give me all your money  
I'm a bad girlfriend

I'm a bad girlfriend

You should be with someone who's  
Always gonna wake up with you  
Always gonna tell you the truth  
And not lie to you like I do  
You should be with someone else  
Someone who is not myself  
You know I'm no good for your health  
And everyone else can tell  
I'm a bad girlfriend bitch!

But you already know that  
That I'm bad, bad, bad, bad, bad

I'm a  
I'm a  
I'm a  
I'm a bad bad girl  
I'm a  
I'm a  
I'm a bad

But you already know that  
That I'm bad, bad, bad, bad, bad
