

Cry

Anne-Marie

I've never been a quitter
But you're not gonna pull me to the ground
See, I've always been a winner
People always try to take, take, take my crown
But I thought you were different
Beating to the rhythm of my sound
But you found somebody fitter
And she let's you down, down, down

In the middle of the night I see you crying, yeah, yeah
Now you're sleeping on your own and realizing, yeah, yeah
Don't you know, you know you shouldn't held me down
With all your might, begging for me to give you one last try
Why you're crying? Yeah, yeah
Hush, baby, don't cry

You'll never find another
Another piece of luxury like me
You're such a motherfucker
You couldn't even make, make, make my tea
Guilty, you're too innocent
It's a little bit too late to start and try
2% my lover, 98% was waste of time

In the middle of the night I see you crying, yeah, yeah
Now you're sleeping on your own and realizing, yeah, yeah
Don't you know, you know you shouldn't held me down
With all your might, begging for me to give you one last try
Why you're crying? Yeah, yeah
Hush, baby, don't cry

Said goodbye, I'll be on my way, na-na-na
Don't you cry, it will be okay, na-na-na
Said goodbye, I'll be on your way, yeah-yeah-yeah
Don't you cry, it will be okay, be okay, it will be okay
Na, na-na-na, na-na-na, na
Hush, baby, don't cry
Na-na-na, na-na-na, na

In the middle of the night I see you crying, yeah, yeah
Now you're sleeping on your own and realizing, yeah, yeah
Don't you know, you know you shouldn't held me down
With all your might, begging for me to give you one last try
Why you're crying? Yeah, yeah
Hush, baby, don't cry
Hush, baby, don't cry
Hush, baby, don't cry
Hush, baby, don't cry
