```
Allegheny Moon, I need your light
To help me find romance tonight
So shine ... shine
Allegheny Moon, your silver beams
Can lead the way to golden dreams
So shine ... shine ... shine
High among the stars, so bright above
The magic of your lamp of love
Can make him mine
Allegheny Moon, it's up to you
Please see what you can do
For me ... and for my one and only love
(Shine ... shine ... shine on tonight)
(Shine ... shine ... shine)
High among the stars, so bright above
The magic of your lamp of love
Can make him mine
Allegheny Moon, it's up to you
Please see what you can do
For me, and for my one and only love
For me, and for my one and only love
(Shine ... shine ... shine on tonight)
