

# Anyone Can Do The Heartbreak

Anne Murray

Take another step  
Tell another lie  
Hide another tear  
In the corner of your eye  
I don't understand  
What kind of game this we're playing

Dancing in the dark  
Shadow's in the night  
Slowly going wrong  
Trying to make it right  
The silence is so loud  
I can't hear the words we're saying

Anyone can do the heartbreak  
Everybody knows the dance  
Oh, it's so easy to do  
Tear a dream in two  
To kill a true romance  
Anyone can do the heartbreak  
Anyone can make love end  
It's gonna take a little pain  
Some fire and some rain  
To bring it back again.

I know you're afraid  
Baby, so am I  
You think you're going to fall  
All you want to do is fly  
We're up against the wall  
And love is the  
Chance we're taking.

So look into my heart  
Tell me can't you see  
I belong with you  
You belong with me  
When I hold you in my arms  
We can hear the music play.

Anyone can do the heartbreak  
Everybody knows the dance  
Oh, it's so easy to do  
Tear a dream in two  
To kill a true romance  
Anyone can do the heartbreak  
Anyone can make love end  
It's gonna take a little pain  
Some fire and some rain  
To bring it back again.

And it's one step forward  
And two steps back  
Oh, we keep on moving  
But we're only losing ground  
We've got to turn  
This love around.

Anyone can do the heartbreak  
Everybody knows the dance  
Oh, it's so easy to do  
Tear a dream in two  
To kill a true romance  
Anyone can do the heartbreak  
Anyone can make love end  
It's gonna take a little pain  
Some fire and some rain  
To bring it back again.

Anyone can do the heartbreak  
Everybody knows the dance  
Oh, it's so easy to do  
Tear a dream in two
