

Anyone Can Do The Heartbreak

Anne Murray

Take another step
Tell another lie
Hide another tear
In the corner of your eye
I don't understand
What kind of game this we're playing

Dancing in the dark
Shadow's in the night
Slowly going wrong
Trying to make it right
The silence is so loud
I can't hear the words we're saying

Anyone can do the heartbreak
Everybody knows the dance
Oh, it's so easy to do
Tear a dream in two
To kill a true romance
Anyone can do the heartbreak
Anyone can make love end
It's gonna take a little pain
Some fire and some rain
To bring it back again.

I know you're afraid
Baby, so am I
You think you're going to fall
All you want to do is fly
We're up against the wall
And love is the
Chance we're taking.

So look into my heart
Tell me can't you see
I belong with you
You belong with me
When I hold you in my arms
We can hear the music play.

Anyone can do the heartbreak
Everybody knows the dance
Oh, it's so easy to do
Tear a dream in two
To kill a true romance
Anyone can do the heartbreak
Anyone can make love end
It's gonna take a little pain
Some fire and some rain
To bring it back again.

And it's one step forward
And two steps back
Oh, we keep on moving
But we're only losing ground
We've got to turn
This love around.

Anyone can do the heartbreak
Everybody knows the dance
Oh, it's so easy to do
Tear a dream in two
To kill a true romance
Anyone can do the heartbreak
Anyone can make love end
It's gonna take a little pain
Some fire and some rain
To bring it back again.

Anyone can do the heartbreak
Everybody knows the dance
Oh, it's so easy to do
Tear a dream in two
