

# Destiny

Anne Murray

I love you  
You love her  
There's nothing I can do  
It was in my destiny to fall for you

You say you  
Could never give  
Me a love that's true  
It was in my destiny to fall for you  
And there ain't a thing I can do about it  
You know I can't live without it  
All I can say is hey hey hey  
I love you

You say why  
Don't I try  
To find someone new  
It was in my destiny to fall for you  
To fall for you  
Think I'm falling for you  
Da da da da da da  
There ain't a thing I can do about it  
You know I can't live without it  
All I can say is hey hey hey  
I love you
