For The Good Times

Anne Murray

Don't look so sad, I know it's over But life goes on and this old world will keep on turning Let's just be glad we had some time to spend together There's no need to watch the bridges that we're burning.

Lay your head upon my pillow Hold your warm and tender body close to mine Hear the whispers of the raindrops blowing soft against the win dow And make believe you love me one more time For the good times.

I'll get along and you'll find another And I'll be here if you should find you ever need me Don't say a word about tomorrow or forever There'll be time enough for sadness when you leave me.

Lay your head upon my pillow Hold your warm and tender body close to mine Hear the whispers of the raindrops blowing soft against the win dow Make believe you love me one more time For the good times.

For the good times. For the good times.
