

Help Me Make It Through The Night

Anne Murray

Take the ribbon from my hair
Shake it loose and let it fall
Lay it soft against the skin
Like the shadows on the wall.

Come and lie down by my side
Till the early morning light
All I'm takin' is your time
Help me make it through the night.

I don't care what's right or wrong
And I won't try to understand
Let the devil take tomorrow
But tonight I need a friend.

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night.

I don't care what's right or wrong
And I won't try to understand
Let the devil take tomorrow
But tonight I need a friend.

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night.

I don't wanna be alone
Help me make it through the night...
