

## Help Me Make It Through The Night

Anne Murray

Take the ribbon from my hair  
Shake it loose and let it fall  
Lay it soft against the skin  
Like the shadows on the wall.

Come and lie down by my side  
Till the early morning light  
All I'm takin' is your time  
Help me make it through the night.

I don't care what's right or wrong  
And I won't try to understand  
Let the devil take tomorrow  
But tonight I need a friend.

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night.

I don't care what's right or wrong  
And I won't try to understand  
Let the devil take tomorrow  
But tonight I need a friend.

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night.

I don't wanna be alone  
Help me make it through the night...
