

Hey! What About Me

Anne Murray

Hey, hey, hey, what about me
I've got some feelin's on my mind too
Hey, hey, hey, what about me
I'd like to have a song to sing to.

Please let me in where you're singin' your song
And I'll just sit quiet, I won't try to sing along
You've got the warmest place tat I've ever found
Please let me in and I won't make a sound.

Hey, hey, hey, what about me
I've got some feelin's on my mind too
Hey, hey, hey, what about me
I'd like to have a song to sing to.

But don't you ask me to give you a song
I won't know the words to use, I won't know where they belong
But if you give me one of yours I will make it my own
And it would be the sweetest song that I have ever known.

Hey, hey, hey, what about me
I've got some feelin's on my mind too
Hey, hey, hey, what about me
I'd like to have a song to sing to.

I'd like to have a song to sing to.
