

# I Don't Think I'm Ready For You

Anne Murray

I've never been scared of love before now  
But I've never been this much in love  
With you it happened so fast that I'm afraid it won't last  
And I don't wanna lose what my dreams are made of

I don't think I'm ready for you  
There are too many heartaches I've already been through  
But this feeling inside is getting harder to hide  
Until I know that you feel it too  
I don't think I'm ready for you

Right on the edge of out of control  
Trying hard not to let what's in my heart show  
One of your kisses, my will to resist is all gone  
Cos I love you, but baby I know

I don't think I'm ready for you  
One heart on the line's not enough, it takes two  
And it wouldn't take much  
Just three words with that touch of yours  
To tell me, but until you do  
I don't think I'm ready for you

And it wouldn't take much  
Just three words with that touch of yours  
To tell me, but until you do  
I don't think I'm ready for you  
I don't think I'm ready for you
