I Know

Anne Murray

I know you don't love me no more, no more
No, no more
It had to be somebody else for loving you more
Loving you more

Ain't no use in you crying now
After you have put me down
And if you don't want me no more, baby
There ain't no use in me hanging around

I know you don't love me no more, no more
No, no more
I don't wanna be hurt anymore
Anymore

Ain't no use in you crying now
After you have put me down
And if you don't want me no more, baby
There ain't no use in me hanging around

I know you don't love me no more, no more
No, no more
And I don't wanna be hurt anymore
Anymore

Ain't no use in you crying now
After you have put me down
And if you don't want me no more, baby
There ain't no use in me hanging around

I know, I know
I know, I know, baby

I know, I know, baby
You can't fool me
I know it's time, I got to figure it out, honey
(Incomprehensible)
Oh baby, you know what I like
