

# I'll Always Love You

Anne Murray

Standing by my window, listening for your car  
Seems I really miss you after all  
Time won't let me keep these sad thoughts to myself  
I'd just like to let you know, I wish I'd never let you go

And I'll always love you  
Deep inside this heart of mine  
I do love you  
I'll always need you  
And if you ever change your mind  
I'll still, I will, love you

Wish you'd never left me, but love's a mystery  
You can break your heart so easily  
The days and the nights reveal how much I feel for you  
The time has come for me to see how much your love has meant to me

And I'll always love you  
Deep inside this heart of mine  
I do love you  
I'll always need you  
And if you ever change your mind  
I'll still, I will, love you

Time, like a river, keeps on rolling right on by  
Seems like nothing's left for me  
So I'll just watch the river rise

I'll always love you  
Deep inside this heart of mine  
I do love you  
I'll always need you  
And if you ever change your mind  
I'll still, I will  
I'll still, I will, love you
