

# I'm Losing Your Love

Anne Murray

Stars are falling from your eyes  
You don't feel what I feel inside  
Your hand is warm but your heart is cold  
If you're hurtin' you don't let it show.

How much longer can you go on  
Actin' like there's nothin' wrong  
How much farther can we drift apart  
Before all the feeling is gone.

I'm losing your love, it's slippin' away  
Minute by minute, day by day  
I'm losing your love, don't you think I know  
It's a matter of time 'til you let go.

I see the moon shinin' up above  
Reminded me how good it was  
There's a chill comin' over me  
Why can't it be like it used to be.

I feel so helpless, I can't make you stay  
No matter how hard I try  
I can't deny that look in your eyes  
Tryin' to tell me goodbye.

I'm losing your love, it's slippin' away  
Minute by minute, day by day  
Oh, I'm losing your love, don't you think I know  
It's a matter of time 'til you let go.

Well, I'm losing your love, it's slippin' away  
Minute by minute, day by day  
Well, I'm losing your love, don't you think I know  
It's a matter of time 'til you let go.

Slippin' away minute by minute, day by day  
Oh, I'm losing your love don't you think I know...
