Singing The Blues

Anne Murray

Well, I never felt more like singing the blues And I never thought that I'd ever lose Your love Why did you do me this way?

Well, I never felt more like crying all night Everything's wrong but nothing is right Without you You've got me singing the blues

Well, the moon and the stars, no longer shine The dream is gone, I thought was mine There's nothing left for me to do But cry over you, cry over you

Well, I never felt more like running away And why shouldn't I go 'cause I couldn't stay Without you You've got me singing the blues

Well, the moon and the stars, no longer shine The dream is gone, I thought was mine There's nothing left for me to do But cry over you, cry over you

Well, I never felt more like running away And why shouldn't I go 'cause I couldn't stay Without you You've got me singing the blues

Mr. Paul Wiggins, come on Paul

Well, the moon and the stars no longer shine The dream is gone I thought was mine There's nothing left for me to do But cry over you, cry over you

Well, I never felt more like running away And why shouldn't I go 'cause I couldn't stay Without you You've got me singing the blues

You've got me singing the blues You've got me singing the blues, ooh
