

That's The Way Love Goes

Anne Murray

I've been throwing horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four-leafed clover.

Yes, you ran with me
Chasing my rainbows
Honey, I love you too
That's the way love goes.

That's the way love goes, babe
That's the music God has made
For all the world to sing
It's never old; it grows
Losing makes me sorry
You say, "Honey, don't worry."
Don't you know I love you too
That's the way love goes.

That's the way love goes, babe
That's the music God made
For all the world to sing
It's never old, it grows
Losin' makes me sorry
You say, "Honey, don't you worry."
Don't you know I love you too
That's the way love goes.

Don't you know I love you too
That's the way love goes.
